

**Churchyard tidy up** - The churchyard is looking fantastic, thanks to the team of volunteers who worked so hard recently to make it so. It has been suggested that we try and keep it looking so. A number of people are willing to play their part, but it would be really good if someone was willing to coordinate that. Could that person be you? Please speak to Kathryn if you think you can help. Many people, from church and community alike would be very grateful.

**Prayer Ministry** - If you would like to share a joy, a sorrow or a concern, then people will be available to pray with you in the north aisle after you have received communion or after the service.

**Do you have a heart for young people?** - We are looking to restart the youth group in the Autumn, but need people willing to work with this age group (probably 10+). Can you help? If you are even a tiny bit interested, please have a word with Kathryn. We need supporters as well as 'up-front' leaders. Appropriate training and support will be given. Thanks for your consideration of this important area, which will build on the existing good work that is already happening in the Pram Service and 'Church Next Door' as well as our contact in local schools.

**Christmas Bazaar** - Please put the date in your diary - Saturday 13<sup>th</sup> November. It's early days yet but not too early to begin thinking what part you might play. It will be co-ordinated by Anthea and Eileen, so do ask them for more information or to volunteer to run a stall.

### Prayer focus for the coming week

Enable this Church to do your will, make it speak with calm humility.

We pray for the lands of your Son's birth and pray that the peoples of Israel and Palestine may put aside their hatred and violence for the sake of each other.

We pray too for those whose way of expression is in terrorism and ask that they may find peaceful ways to express their concerns.

Support and strengthen all those who will face persecution or death as they seek to worship you. Show us how to heal the divisions which we have created in your family.

We commend to your love all who we shall meet in the coming week, all whose lives will touch and help ours, all who will depend on us, and we pray for ourselves that your strength and your presence will be forever with us in our task. **Amen**

### Notices

**Stewarding** - We aim to open church every day from 10am-12 noon and from 2pm - 4pm. Do you have a couple of hours to spare? We are looking for people willing to join the stewarding team. We have recently had a volunteer from outside of the church congregation; it would be good to fill up the vacant slots. All you need is to have a smile and be welcoming to visitors. Training will be given to anyone who is unsure of the role and support is always there – you don't do it on your own! Thanks to those of you who are already involved in this important part of our church's ministry and outreach and thanks to everyone else for considering if this is something you could do. Please have a word with Kathryn if you would like to volunteer or for more information. Thanks to the one volunteer so far, we could do with a couple more.

**Harvest** - We are celebrating harvest on 10<sup>th</sup> October. All the services will have a harvest theme and after the evening communion there will be a harvest supper and quiz in the John Godber Centre, beginning at 7 pm. Watch this space for further details, but do please put the date in your diary.
